A Rescheduling of assessment dates should be done by calling the Centre for Employability Skills or the WPLN ATO which you have signed up at, at least 5 working days before the scheduled assessment date.
Q6  Can I retake the test if I fail to obtain SOA level 5?

A  Yes, you may. However, there is a three-month lockout period before you can take the same assessment again.

If you wish to retake the assessment within the lock-out period, you will be required to pay the assessment fee at full cost, i.e. $43.00 (inclusive of GST) per assessment. As each ATO has different class schedules in different locations islandwide, please contact them directly on the class availability.

### Q9 How much does it cost to attend the course?

**A** The course fee varies depending on the course and the ATO you choose.

### Q10 Why is there no fixed course fee?

**A** ATOs are free to set their course fee for each course. Nonetheless, each WPLN course is still highly subsidised to encourage individuals to attend training.

Freeing up the course fee will encourage the ATOs to offer more competitive pricing and better quality courses. This will in turn benefit the trainees by giving trainees more options on the pricing and courses designed innovatively with additional resources such as e-learning materials.
