1 Introduction

1.1 My CPD Portal

“My CPD Portal” is a common platform to:

- Allow course providers to introduce new courses and seek approval from CEA to conduct them;
- Keep course providers updated on their application status via the system or via email notifications depending on their roles. Each role has its own specific notification.
- Allow course providers to update and add course dates/sessions and trainers for approved courses;
- Allow course providers to correspond with CEA Administrators through an inbox;
- Allow Salespersons/KEOs to store and track CPD attendance records;
- Allow Salespersons/KEOs to track CPD requirement fulfilment status; and
- Allow KEOs to approve non-core CPD courses taken by their salespersons.
- Allow the syncing of CPD requirement fulfilment data with EAS system for renewal process

1.2 Course Provider

The Course Providers can use this system to:

- Add new courses;
- Manage courses;
- Submit attendance records for Professional Competencies Courses and course feedback records for completed courses; and
- Communicate with CEA administrators through an inbox correspondence system.

2 Login

2.1 Login functionality

You can login to the CPD System via www.cea.gov.sg/cpd. Click on the login tab on the right side of the top bar as shown below:

Figure 1: CPD Microsite – Login tab

Login option landing page will be displayed to choose to login with SingPass or CorpPass.

Figure 2: SingPass and CorpPass Login Option Landing Page

Choose CorpPass to login, and key in your UEN/Entity ID, CorpPass ID and Password as shown below:

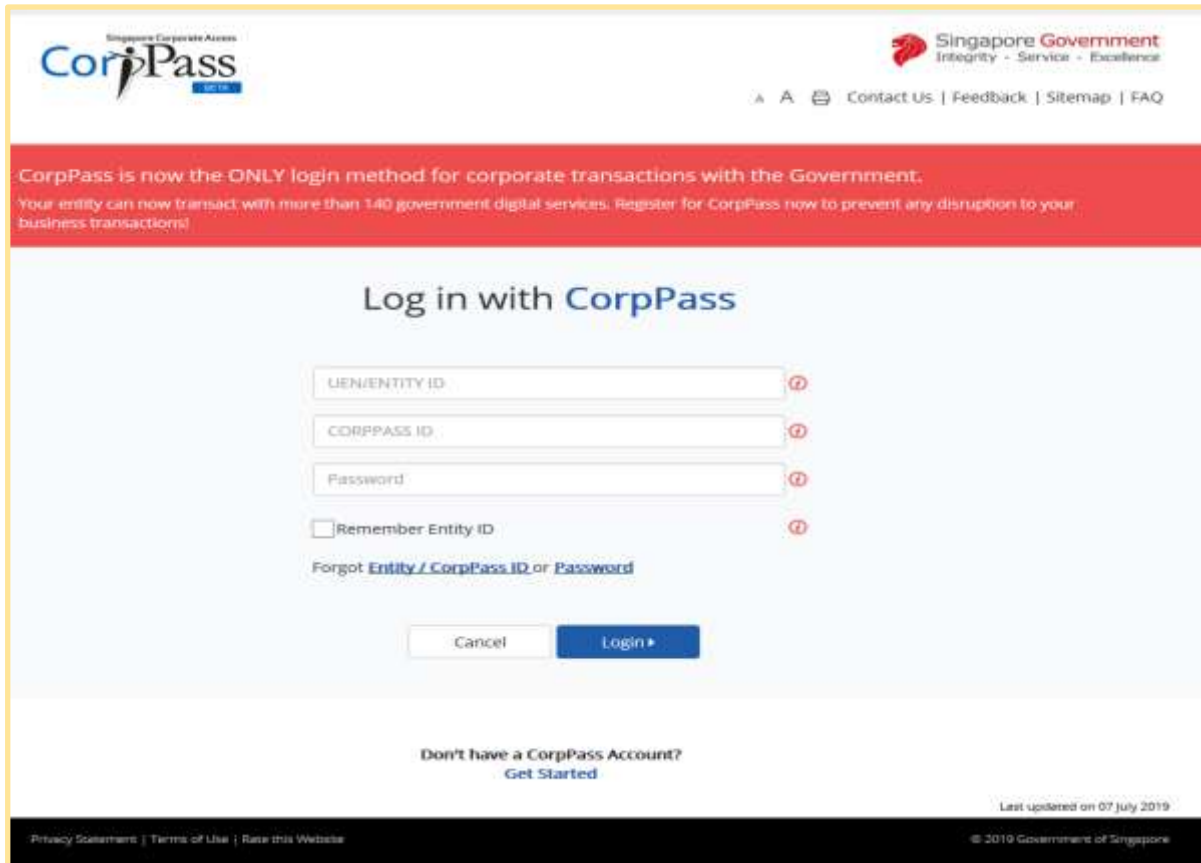

Figure 3: CorpPass Login Page

Once logged in, you will see the dashboard below if you have multiple roles in the CPD System e.g. as KEO/ Authorised User or Course Provider. Otherwise please refer to **Figure 4** for the dashboard that you will see. For multi-role users, please select the “**Course Provider**” tab if you wish to log in as a **Course Provider**. You will be directed to the dashboard shown in **Figure 5**.

4. Delete Course

To delete course record, click on  icon as shown in Figure 21. This action is only allowed for course with Draft status.

The screenshot displays the CPD (Continuing Professional Development) portal interface. At the top, there is a navigation bar with the CPD logo and the text "Continuing Professional Development". On the right side of the header, there is a "Welcome," message and links for "Course Provider Profile Update" and "Logout". Below the header is a secondary navigation bar with "HOME" and "COURSE PROVIDER" on the left, and "CHANGE ROLE" on the right.

The main content area is titled "COURSE MANAGEMENT" and includes an "Add New Course" button. Below this, there are search filters for "Submission Date", "Expiry Date", "Course ID", "Course Title", "Professional Competencies", "CPD Credits", and "Status". A "Search" button is located below the filters.

The central part of the interface is a table listing courses. The table has columns for "Action", "Submission Date", "Expiry Date", "Course ID", "Title", "Professional Competencies", "CPD Credits", and "Status". The first row shows a course with a submission date of "30 Dec 2016" and an expiry date of "31 Dec 2020", with a status of "Approved". The following rows show courses with a status of "Draft". A red box highlights the "Action" column for the draft courses, specifically the delete (trash) icons.

At the bottom of the table, there is a "Page size" dropdown set to "10" and a pagination control showing "42 items in 5 pages".

4 Session Management

On this page, Course Provider will be able to manage the session for each course that has been submitted. New sessions created will appear in the CPD Course Directory in the CPD Microsite, therefore sessions should be created before the conduct of the course.

4.1 Add new session

To create new session, click **Add New Session** button, then this pop-up will appear as shown in Figure 23.

A form titled "SESSION DETAILS" with a red close button in the top right corner. A red asterisk indicates that all fields are compulsory. The form contains the following fields: "Course Title" (text input), "Session ID" (text input), "Venue Address" (text input), "Venue Postal" (text input), "Venue Country" (text input), "Venue Room" (text input), "Start Date" (date picker), "End Date" (date picker), and "Trainer" (text input). At the bottom of the form are "Save" and "Cancel" buttons.

Figure 23: Add New Session

All fields must be filled, and **Session ID** will be auto generated by the system. Once the respective session details are filled, click **Save** to save the session record into the system or **Cancel** to discard the session.

4.2 Search session

Course Provider will be able to search the course record by using the following filters:

- Session ID
- Venue Address
- Room
- Trainer
- Start Date Time
- End Date Time

The search form contains the following elements:

- Buttons: Add New Session, Back to Course Management
- Fields: Session ID, Venue Address, Room, Trainer, Start DateTime, End DateTime
- Icons: Clear and Reset icons for Start DateTime and End DateTime
- Search Button: Search

6.2 Batch Upload of Attendance

To update multiple records, you can click Batch Upload of Attendance button, and the following pop-up will appear.

ATTENDANCE RECORD UPLOAD

Batch Upload of Attendance Record

Please upload only csv file format.

To get a sample of a CSV file for upload, click [here](#)

Please follow the format in the sample csv strictly. Delete sample data in row 2 before uploading the file

Figure 41: Batch Upload of Attendance

1. Select the attendance file that you wish to upload. Only file format CSV is allowed.
2. Click this link to download sample of CSV file if you do not have a CSV file for uploading. Please take note that it is recommended to use the template provided in the sample file, as different template (different column header) may result in uploading error.
3. Key in the required information in the CSV file. The date format should be DD/MM/YYYY. Click “Upload” to submit the file.

If all the records are successfully uploaded, success notification will appear and the pop-up will automatically be closed.

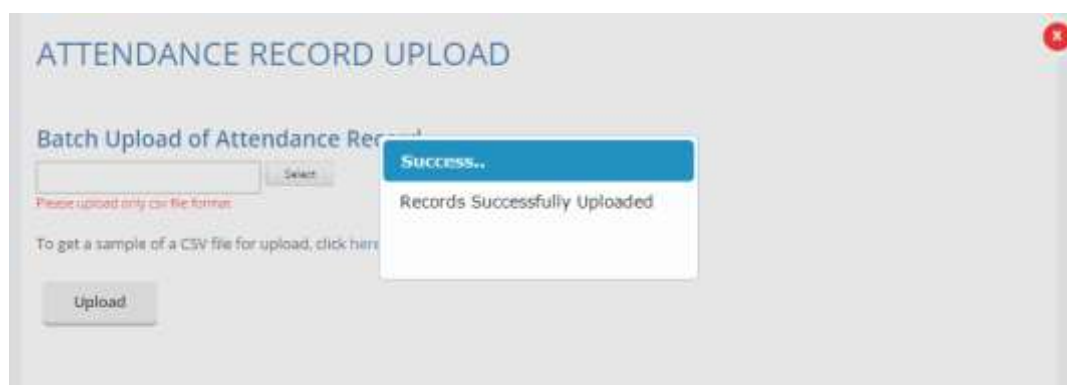

Figure 42: Batch Upload of Attendance Records – Success Notification

If some records fail to be uploaded, an example of the error notification would appear as shown below.

Figure 43: Batch Upload of Attendance Records – Error Notification Example

Please take note that if a row of record in the CSV file fails to be submitted, the rest of the records below it will not be submitted. Please repeat the above steps from steps 1 to 3 to upload the attendance records after correcting the error in the affected row and removing the submitted rows above it.

For further details on the error notifications and how to rectify it, please refer to session 9.
