- b) Check that you are renewing your RES registration with the correct EA based on the "Practice Preference", which is the EA you are registered with as reflected in CEA's Public Register (see "2" below).
- c) Check that the **"Applicant Information**" details are correctly pre-populated from your ACEAS profile for Individual.
 - Boxes that are greyed out are details that are non-editable (i.e., information from MyInfo or details of your RES registration in CEA's Public Register).

- a) Check the "Active Applications" section in the ACEAS dashboard (see **Picture A** below). The progress of your renewal application is reflected in the orange box .
 - Please ensure that your EA **submits your application to CEA by 30 November 2022** and the status should be at "CEA Processing".
 - If your application has been processed by CEA, it will no longer reflect as an "active" application as there is already an outcome for the application.

 - For directors/partners, who are RESs, and have successfully renewed your registration for 2023, your registration end date will be updated to 31 December **2023**.
 - Please note that the EA that you are renewing with must also successfully renew its own EA licence for 2023. Otherwise, your registration will lapse after 31 December 2022.
