Date: 29 August 2022

To: CPD Course Providers

Dear Sir/Madam,

[CPD NOTICE 04-22] UPDATED ADVISORY ON THE CONDUCT OF CONTINUING PROFESSIONAL DEVELOPMENT (CPD) COURSES AS WE MOVE TOWARDS COVID-19 RESILIENCE FROM 29 AUGUST 2022

1. This notice is to update course providers on the measures to observe for the conduct of in-person CPD courses, from 29 August 2022 onwards.
2. On 24 August 2022, the Multi-Ministry Taskforce (MTF) announced that the mask-wearing requirement for indoor settings will be removed except in public transport, healthcare, and residential care settings¹, from 29 August 2022.
3. With the updated measures, mask-wearing will be optional for in-person courses conducted at indoor settings. However, course providers may choose to impose mask-wearing or other additional requirements, if you assess there is a need to do so. If so, you should be prepared to publicly explain the rationale for such additional requirements.
4. All course trainers, participants, and employees of course providers are strongly encouraged to continue exercising personal and social responsibility. If unwell, individuals should mask-up and minimise in-person interactions. They should also self-isolate if they test positive for COVID-19, in accordance with Ministry of Health's (MOH) prevailing guidelines and protocols.
5. Course providers may continue to conduct CPD courses online and are to align the measures to observe for the conduct of in-person courses with [SkillsFuture Singapore's \(SGG\) advisory](#). If you require any clarification, please email Ms Grace Goh at grace_goh@cea.gov.sg, or Ms Siow Shu Hui at siow_shu_hui@cea.gov.sg. Thank you.

Yours sincerely,

CHEW SUET FUN (MS)
